Financial Services Guide

VERSION 6 • JUNE 2019

www.synchron.net.au

We welcome you to Synchron. Our initial obligation at the start of the relationship is to fully inform you of your rights and entitlements and detail the services we provide.

This Financial Services Guide (FSG) is intended to inform you of certain basic matters relating to your relationship with our Authorised Representative and with us, prior to you being provided with an authorised financial service. Subjects covered in this FSG include who we are, contact details for us and our Authorised Representative, how we and our Authorised Representatives are remunerated, what to do in the event of a complaint, and the method by which we engage our professional advice process.

It is intended that this document should assist you in determining whether to use any of the services described. It is our duty to provide you with this document at the first available opportunity.

This document is Part 1 of our FSG and should be read in conjunction with 'Part 2 – Adviser Profile', which will be given to you with this FSG. The two parts make up the FSG and the distribution has been approved by Synchron.

Getting started

Who is your Adviser?

Your adviser is an Authorised Representative of Synchron. Details of your adviser and the charging methodology are contained in the attached Adviser Profile.

Who is responsible for the advice given to you?

Synchron is responsible for the financial services provided to you.

What financial services are offered?

Synchron is the holder of an Australian Financial Services (AFS) Licence which allows us to provide financial product advice and deal in the following financial products:

- ▶ Deposit Products
- ▶ Non Basic Deposit Products
- ▶ Government debentures, stocks or bonds
- ▶ Life insurance investment products
- ▶ Life insurance risk products
- ▶ Managed Investments including Investor Directed Portfolio Services
- ▶ Managed Discretionary Accounts
- ▶ Retirement Saving Accounts
- ▶ Securities
- ▶ Standard Margin lending facilities
- ▶ Superannuation

The Adviser Profile page outlines the financial services that your adviser is authorised to provide on behalf of Synchron. Your adviser is also not able to provide advice on products that are not on Synchron's Approved Product List or have not otherwise been approved by Synchron.

Before receiving advice

Will we provide you with advice suitable to your needs and financial circumstances?

Yes. In order for us to provide quality advice, you need to supply us with your individual objectives, financial situation and needs. You have the right not to divulge this information; if you do not wish to do so then we are required to warn you that before acting on the advice provided, you will need to consider the appropriateness of the advice with regards to your personal situation and needs. You should ask your Authorised Representative about these consequences if you are not sure.

What should you know about the risks of the financial products or strategies we recommend to you?

Our Authorised Representative will explain to you any significant risks of the financial products and strategies which are recommended to you.

What information do we maintain in your file and can you examine your file?

Our Authorised Representative will maintain a record of your personal profile, which includes details of your objectives, financial situation, needs, copies of recommendations made to you and any products acquired by you.

If you wish to examine your file, we ask that you make a request in writing and allow up to fourteen (14) working days for the information to be forwarded. You may be charged a fee to cover the cost of verifying the application and locating, retrieving and copying any material requested. If the information sought is extensive, you will be advised of the likely cost in advance and we can help to refine your request if required.

Provision of advice

When will you receive a Statement of Advice?

You are required to receive a Statement of Advice whenever our Authorised Representative provides you with personal advice which takes into account your objectives, financial situation and needs. This Statement of Advice will contain the basis on which the advice is given, personal information, recommendations and information about fees, remuneration and associations which may have influenced the provision of the advice.

Thereafter, if your circumstances have not significantly changed, our Authorised Representative can provide you with another Statement of Advice or a Record of Advice as a confirmation of the advice provided. You are able to request a copy of these documents from our Authorised Representative at any time up to a period of seven years.

Product Disclosure Statement

When our Authorised Representative makes a recommendation to acquire a particular financial product, you must also be provided with a Product Disclosure Statement from the issuing product provider which gives full details of the recommended product to assist in making an informed decision to acquire that product.

How will you pay for the services provided?

A fee may be charged for our services. This may be waived or partially offset by brokerage, commission or fees if you proceed. Upon implementation of the recommendations, our Authorised Representative may receive an upfront fee, commission (for risk insurance products) or a combination of both depending on how you agree to pay for the services. Fees can be based on total funds placed, the time spent on the services you receive, or as agreed between you and our Authorised Representative. Costs and remuneration will be disclosed in your Statement of Advice.

All fees and commissions are paid to Synchron, which deducts a fee for the services it provides as the licensee and then pays the balance to your adviser subject to any agreements. Some of our Authorised Representatives have referral arrangements with other professionals. Where a referral agreement is in place between the Authorised Representative and a third party, a fee may be paid or received. Detailed disclosure of amounts and percentages will appear in your Statement of Advice if applicable.

A review service fee may also be payable from time to time, depending on any extra work required such as a major restructuring. Further details are provided in the Adviser Profile section.

Life Insurance advice

If you decide to purchase a life insurance product, unless stated to the contrary in your Statement of Advice, Synchron has elected to receive commission from the product providers and not invoice you directly for services provided. Please refer to the "Adviser Profile" section of this FSG for further details.

If you do not continue with a purchased life insurance product for a full 24 months, the commission received by Synchron is returned to the insurance company, and you may then be invoiced for this amount.

Investments and Superannuation advice

If you decide to proceed on the investment or superannuation advice provided, the fee you may be charged may be dollar based or may be calculated as a percentage of the amounts invested. The fee may also be reflective of an hourly rate. For details, please refer to the enclosed Adviser Profile section.

Conflicts of Interest

Synchron and our Authorised Representative may receive "additional benefits", from product providers we deal with such as:

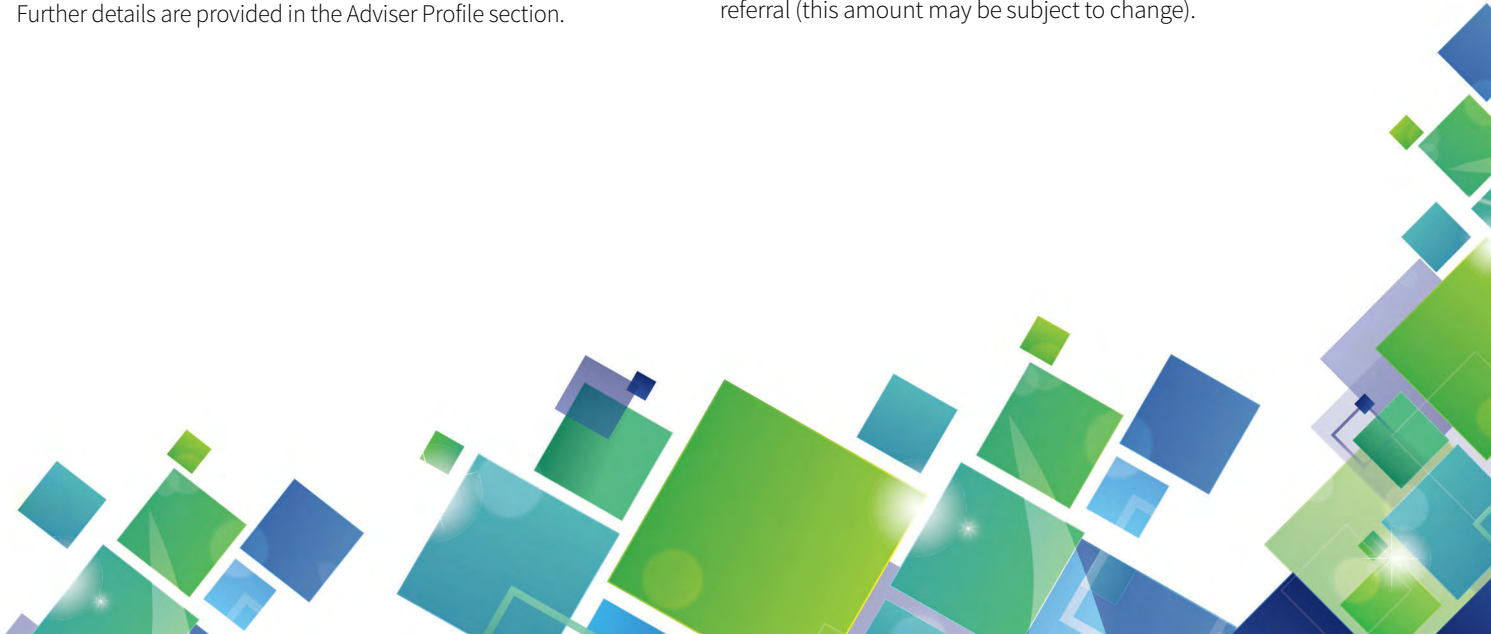

- ▶ Contributions to our training and education budget used for making available professional development to our Authorised Representatives, and/or
- ▶ Small gifts or entertainment.

"Additional benefits" are not permitted to be paid to our Authorised Representative if they are as a result of, or conditional on, the amount of business an Authorised Representative gives to a product provider.

Synchron holds no interest in or investments in any product provider. Synchron has put measures in place to ensure that these "additional benefits" will not influence any financial product advice provided by Synchron Authorised Representatives.

The directors of Synchron are also directors of Valant Capital Pty Ltd, and own shares in Valant Capital Pty Ltd, so they may receive benefits from Valant such as dividends. Synchron also provides financial accommodation to Valant in the form of a loan. No benefits or incentives are offered to Authorised Representatives to use Valant.

Where Synchron Medical is used to complete your medical or pathology reports, your adviser may receive a payment of \$20 per referral (this amount may be subject to change).

Who can you complain to if you have a complaint about the provision of financial services to you?
